Hi, thanks for visiting Skype! I'm Cinderella J..

1:07 am

I do hope you are doing well out there today, how may I assist you?

1:07 am

i was forced out of my skype account, in a rude way, and told I must update. I went and followed your link and downloaded the version YOU selected when I clicked. Then, After installing, I was again forced out, claiming again the version was outdated

1:09 am

therefore, I just wasted my time, since it became clear you do not have any working version you accept for my system

1:09 am

therefore I want my money back, and a written apology from you, for this obnoxious actions

1:10 am

at minimum, you could have warned

1:10 am

I am sorry for the inconvenience this has caused you Pedro
